PART A

CIRCULAR TO SHAREHOLDERS

in relation to

PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE

1. DETAILS OF THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE

1.1 Paragraph 10.09 and Practice Note 12 of the Listing Requirements in relation to the RRPT

Pursuant to Paragraph 10.09(2) and Practice Note 12 of the Listing Requirements, a listed issuer may seek a mandate from its shareholders for RRPTs subject to the following: -

- i) the transactions are in the ordinary course of business and are on terms not more favourable to the related party than those generally available to the public;
- ii) the shareholders' mandate is subject to annual renewal and disclosure is made in the annual report of the aggregate value of the transactions conducted pursuant to the shareholders' mandate during the financial year where the aggregate value is equal to or more than the threshold as prescribed in Paragraph 10.09(1) of the Listing Requirements;
- iii) a listed issuer's circular to shareholders for the shareholders' mandate includes the information as may be prescribed by Bursa Securities. The draft circular must be submitted to Bursa Securities together with a checklist showing compliance with such information;
- iv) in a meeting to obtain shareholders' mandate, the Interested Directors, Interested Major Shareholders and Interested Person(s) Connected must not vote on the resolution in respect of the related party transaction; and where it involves the interest of an Interested Person Connected, such Persons Connected must not vote on the resolution approving the transactions. An Interested Director or Interested Major Shareholder must also ensure that persons connected with him abstain from voting on the resolution approving the transactions; and
- v) the listed issuer immediately announces to Bursa Securities when the actual value of a RRPT entered into by the listed issuer, exceeds the estimated value of the RRPT disclosed in the circular by 10% or more and must include information as may be prescribed by Bursa Securities in its announcement.

Transactions entered into between a listed issuer (or any of its wholly-owned subsidiary) and its wholly-owned subsidiary are excluded from the requirements of related party transaction of Chapter 10 of the Listing Requirements.

In connection thereto, the Board proposes to seek the shareholders' approval for the Proposed Renewal of Shareholders' Mandate which allow CAM Group to enter into the RRPT referred to in Section 1.4 in the normal course of business, provided that such transactions are made at arm's length basis and on normal commercial terms which are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders of CAM.

1.4

Class and Nature of RRPT

The class and nature of the RRPT of CAM Group are as follows:-

CAM or subsidiary of CAM involved in RRPT	Transacting Party	Nature of Transaction ⁽¹⁾	Interested Director and/or Major Shareholder of CAM ⁽²⁾	Nature of Relationship	Estimated value from 16 June 2026 (date of the forthcoming 25 th AGM) to 30 June 2027 (expected date of next AGM) (RM'000)	Frequency of Transaction	Last Year's Mandate (Note A) (RM'000)	Actual Value Transacted (Note B) (RM'000)
CPOMSMB	HUE	Purchase of building materials and metal fabrication equipment and products.	Hia Kiga Wan	Table A	3,000	Monthly	3,000	-

Notes:

- 1) Details of the nature of the RRPT with the Related Party are described in Section 1.6.
- 2) Mr Hia Wan Kiga is an Executive Director and a major shareholder of CAM. Mr Hia is a Director and Major Shareholder of HUE. The interest of Mr Hia and persons connected to him in HUE are described in Table A as set out on page 13 of this Circular.
- A) Estimated value of transaction as disclosed in the Circular to Shareholders dated 30 April 2025.
- B) Actual value of transactions from 19 June 2025 up to LPD.

The estimated value of the transaction is estimated based on the aggregated value of transactions in year 2025. However, the estimated transaction value may vary from the actual transacted value in the future. The actual value will be disclosed in the Annual Report of the Company in respect of the financial year ending 31 December 2026.

The actual value transacted of the above RRPT, from the date on which the existing mandate was obtained (i.e. the date of the 24th AGM held on 19 June 2025) up to the LPD did not exceed the estimated value by 10% or more based on the aggregation rule under Paragraph 10.12 of the Listing Requirements.

1.5 Outstanding RRPT Receivables

As at the financial year ended 31 December 2025, there was no outstanding amount due and owing to CAM Group by the Related Party arising from the RRPT, which exceeded the credit term given.

1.6 Nature of the RRPT

As the nature of business of CPOMSB are manufacturing and sale of crude palm oil, palm kernel and other related products, it purchases building materials and metal fabrication equipment and products from HUE.

The RRPT involved is in the ordinary course of business and are long term relationships.

1.7 Rationale for the Proposed Renewal of Shareholders' Mandate

The Related Party Transactions entered or to be entered by the Group were/are in the ordinary course of business. They are recurring transactions of revenue or trading nature which are likely to occur with some degree of frequency and arise at any time and from time to time.

These transactions may be constrained by the time-sensitive nature and confidentiality of such transactions, and it may be impractical to seek shareholders' approval before entering into such Related Party transactions. As such, the Board is seeking the Proposed Renewal of Shareholders' Mandate pursuant to Paragraph 10.09 of the Listing Requirements for the Related Party transactions, described in Section 1.4 above to allow the Group to enter into such RRPT, made on an arm's length basis and on normal commercial terms which are not more favourable to the Related Party than those generally available to the public and not to the detriment of the minority shareholders of the Company.

By obtaining the shareholders' mandate on an annual basis, it would eliminate the need to announce to Bursa Securities and the necessity to convene separate general meetings from time to time to seek shareholders' approval as and when such RRPT occur. This would substantially reduce the time, administrative requirements, inconveniences and expenses associated with the convening of such meetings, without compromising the corporate objectives of CAM Group and adversely affecting the business opportunities available to the Group.

1.8 Benefits of the RRPT

CAM Group has a well-established business relationship with the Related Party who has been a long-term supplier and contractor for CAM Group. The building materials and metal fabrication equipment and products obtained from the Related Party are priced indistinctively to the public and the transactions are undertaken on an arm's length basis and on terms not more favourable to the Related Party than those generally available to the public. The close cooperation between CAM Group and the Related Party has reaped mutual benefits and has been and is expected to continue to be beneficial to the business of CAM Group.

1.9 Review Procedures

CAM Group has established various procedures to ensure that the RRPT is undertaken on transaction prices based on arm's length basis and on normal commercial terms, which are consistent with the Group's usual business practices and policies, and on normal commercial terms which are not more favourable to the Related Parties than those generally available to the public and not to the detriment of the minority shareholders of CAM.

Quotations will be obtained, where practical and feasible, from third parties to ascertain appropriate transaction prices. Where the cost-plus method is used to determine the transaction prices by adding an appropriate mark-up to the cost, the mark-up earned is to be consistent with those earned from unrelated party transactions. At least 2 other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities will be used as comparison, wherever possible, to determine whether the price and terms offered to/by the related parties are fair and reasonable and comparable to those offered to/by other unrelated parties for the same or substantially similar type of products/services and/or quantities. In the event that quotation or comparative pricing from unrelated third parties cannot be obtained (for instance, if there are no unrelated third party vendors/customers of similar products or services, or if the product/service is a proprietary item), the Group will ensure that the RRPT with Related Parties will only be entered into after taking into account the pricing, level of services, quality of products and other related factors and are not to the detriment of the minority shareholders of the Company.

CAM Group has established the following review and disclosure procedures with regards to the RRPT:

- i) A list of Related Parties of CAM Group and a summary explaining what constitutes a RRPT will be circulated to the Directors and Management of the Company and its subsidiaries to notify that all such RRPT is required to be undertaken on an arm's length basis and on normal commercial terms which are not more favourable to the Related Parties than those generally available to the public and not to the detriment of the minority shareholders of the Company. The list of the Related Parties will be continuously updated and circulated to the Directors and the Management of the Company and its subsidiaries, as and when the RRPT's status changes or additional RRPT is included or at least once a year in the event there are no changes of status or inclusion of additional RRPT;
- ii) All RRPT shall be reviewed by the Audit Committee of the Company who will make the necessary recommendation to the Board of CAM;
- iii) A register/record shall be maintained by the Company to record all RRPT entered pursuant to the Proposed Renewal of Shareholders' Mandate;
- iv) The annual internal audit plan shall incorporate a review of all RRPT entered into pursuant to the Proposed Renewal of Shareholders' Mandate to ensure that the relevant approvals have been obtained and the review procedures in respect of such transactions are adhered to;

- v) The Board of CAM and its Audit Committee shall review the internal audit reports to ascertain that the guidelines and procedures established to monitor RRPT have been complied with and the review shall be done at every year together with the review of quarterly results; and
- vi) The Board of CAM and its Audit Committee shall review the procedures, as and when required, with the authority to sub-delegate to individuals or committees within the Company, as they deem appropriate. If a member of the Board or the Audit Committee has an interest, direct or indirect, in the RRPT, he/she will abstain from deliberation and any decision making in respect of the said transaction.

1.10 Threshold of Authority

All RRPT are subject to review by the Audit Committee and there are no specific thresholds for approval of RRPT within CAM Group. However, all RRPT are subject to the approval of appropriate level of authority as determined by senior management and/or the Board from time to time, subject to the provisions in the Listing Requirements and/or the Act, where necessary.

In compliance with Paragraph 10.09(1)(a) of the Listing Requirements, CAM shall immediately announce a RRPT where:

- (i) the consideration, value of the assets, capital outlay or costs of the RRPT is RM1 million or more, or
- (ii) the percentage ratio of such RRPT is 1% or more;

whichever is the higher.

For clarity purpose, the disclosure obligation as set out in the paragraph above will not apply to the Recurrent Related Party transactions which are comprised in the Proposed Renewal of Shareholders' Mandate after it has been approved by shareholders, pursuant to Paragraph 2.4 of Practice Note 12 of the Listing Requirements.

1.11 Statement by the Audit Committee

The Audit Committee has reviewed the procedures mentioned in Section 1.9 above and is satisfied that the said procedures are sufficient to ensure that the RRPT are conducted on arm's length basis, on terms not more favourable to Related Parties than those generally available to the public and are not to the detriment of the minority shareholders. Any member of the Audit Committee who is interested in any RRPT shall not be involved in the review of the RRPT.

The Audit Committee is also satisfied that the CAM Group has put in place adequate procedures and processes to monitor, track and identify RRPT in a timely and orderly manner. The Audit Committee reviews the RRPT and these procedures and processes on a quarter and annual basis or such frequency as Audit Committee considers appropriate having regard to the value and the frequency of the RRPT.

1.12 Disclosure of RRPTs

Disclosure will be made in accordance with Practice Note 12 of the Listing Requirements, which requires a breakdown of the aggregate value of the RRPTs entered into during the financial year, including amongst others, the following information:

- (i) the types of RRPTs made; and
- (ii) the names of the Related Parties involved in each type of the RRPTs made and their relationships with CAM Group.

The above disclosure will be made in the Company's annual report for each subsequent financial year after the Proposed Renewal of Shareholders' Mandate has been obtained.

1.13 Financial Effect of the Proposed Renewal of Shareholders' Mandate

The Proposed Renewal of Shareholders' Mandate will have no effect on the issued and paid-up capital and Substantial Shareholders' shareholdings of CAM and it is also not expected to have any material effect on the NA per share and EPS of CAM Group.

1.14 Validity Period for the Proposed Renewal of Shareholders' Mandate

The authority to be conferred pursuant to the Proposed Renewal of Shareholders' Mandate, if approved by the shareholders, shall take effect from the passing of the ordinary resolution proposed at the forthcoming 25th AGM and shall continue to be in force until:

- (a) the conclusion of the next AGM of the Company following the general meeting at which such mandate is passed, at which time it will lapse, unless the authority is renewed by a resolution passed at the next AGM;
- (b) the expiration of the period within which the next AGM after that date as required by law to be allowed pursuant to Section 340(2) of the Act (but shall not extend to such extension as may be allowed pursuant to Section 340(4) of the Act; or
- (c) revoked or varied by resolution passed by the shareholders of the Company in general meeting;

whichever is the earlier.

Thereafter, shareholders' approval will be sought for the renewal of such mandate at each subsequent AGM subject to a satisfactory review by the Audit Committee of its continued application to RRPT.

SHARE BUY-BACK STATEMENT

in relation to

PROPOSED RENEWAL OF SHARE BUY-BACK MANDATE

PROPOSED RENEWAL OF SHARE BUY-BACK MANDATE

1. DETAILS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK MANDATE

The Board had, during the 24th AGM held on 19 June 2025, obtained its shareholders' approval to renew its share buy-back authority to purchase up to 10% of the total number of issued Shares of the Company as quoted on Bursa Securities as at the point of purchase.

The said authorisation shall, in accordance with the Listing Requirements, expire at the conclusion of the forthcoming 25th AGM of the Company which will be held on 18 June 2026, unless a new mandate is obtained from the shareholders.

The Board proposed to seek shareholders' approval for the renewal of authorisation to enable CAM to purchase and/or hold from time to time and at any point of time up to 10% of its total number of issued Shares of the Company through Bursa Securities.

The Proposed Renewal of Share Buy-Back Mandate shall be effective upon the passing of the resolution at the forthcoming 25th AGM of CAM until:

- (i) the conclusion of the next AGM of the Company following the general meeting at which such resolution was passed at which time it will lapse unless by ordinary resolution passed at the meeting, the authority is renewed, either unconditionally or subject to conditions; or
- (ii) the expiration of the period within which the next AGM after that date is required by law to be held; or
- (iii) revoked or varied by an ordinary resolution passed by the shareholders of the Company in a general meeting,

whichever occurs first.

2. Maximum Number or Percentage of Shares to be Purchased

As at LPD, the total number of issued Shares of CAM is 196,800,000 Shares (including 14,167,256 Shares held as Treasury Shares).

Assuming no further CAM Shares are issued, a total of up to 19,680,000 CAM Shares may be purchased pursuant to the Proposed Renewal of Share Buy-Back Mandate inclusive of CAM Shares already purchased and retained as treasury shares as at LPD. As such, the balance Shares that the Company can be purchased taking into account the total cumulative treasury shares held up to LPD is 5,512,744.

3. Treatment of Purchased CAM Shares

In accordance with Section 127 of the Act, the Board may, at its discretion, deal with any of CAM Shares so purchased in the following manner:

- i) to cancel the purchased CAM Shares; or
- ii) to retain the purchased CAM Shares as treasury shares held by the Company; or
- iii) to retain part of the purchased CAM Shares as treasury shares and cancel the remainder; or
- iv) to distribute the treasury shares as dividends to shareholders; or
- v) to resell the treasury shares on Bursa Securities in accordance with the Listing Requirements; or
- vi) to transfer the treasury shares, or any of the treasury shares for the purposes of or under an employees' share scheme; or

vii) any combination of the above.

Where the Board intends to retain the purchased CAM Shares as treasury shares, cancel the purchased CAM Shares, or both, an appropriate announcement will be made to Bursa Securities as and when the Proposed Renewal of Shares Buy-Back Mandate is exercised. If the Board decides to retain the purchased CAM Shares as treasury shares, it may later distribute the treasury shares as share dividends to the shareholders depending on the availability of the profit of the Company, cancel the Treasury Shares and/or resell the purchased CAM Shares on Bursa Securities.

While the purchased CAM Shares are held as treasury shares, the rights attached to them as to attending or voting at meetings and any purported exercise of such rights is void and the rights to receive dividend or other distribution of the Company's assets including distribution of assets upon winding up of the Company shall be suspended and the treasury shares shall not be taken into account in calculating the number of percentage of Shares or of a class of Shares in the Company for any purpose including substantial shareholding, takeovers, notices, the requisitioning of meetings, the quorum for a meeting and the result of a vote on resolutions at meetings of shareholders. The Company would buy back the shares only after the Board has given due consideration to its potential impact on the Company's earnings and financial position and the Board is of the opinion that it would be in the best interest of the Company to do so.

The actual treatment of the purchased CAM Shares would depend on, inter-alia, the prevailing equity market conditions and the financial position of the Company.

4. HISTORICAL SHARE PRICE

The monthly highest and lowest prices of the shares of CAM as traded on Bursa Securities for the past twelve (12) months from April 2025 to March 2026 are as follows:-

5. RATIONALE FOR THE PROPOSED RENEWAL OF SHARE BUY-BACK MANDATE

The Proposed Renewal of Share Buy-Back Mandate may enable the Company to utilise any of its surplus financial resources to purchase its own shares from the open market. It may stabilise the supply and demand of CAM Shares traded on the Main Market of Bursa Securities and thereby support its fundamental value.

The Proposed Renewal of Share Buy-Back Mandate, if exercised, will enhance the EPS of CAM as a result of a lower number of CAM Shares being taken into account for the purpose of computing the Company's EPS, if the purchased CAM shares are held as treasury shares or cancelled.

The purchased CAM Shares may be held as treasury shares and resold on Bursa Securities at a higher price with the intention of realising a potential gain without affecting the total issued share capital of the Company. Should any treasury shares be distributed as share dividends, this would serve to reward the shareholders of the Company.

6. POTENTIAL ADVANTAGES AND DISADVANTAGES OF THE PROPOSED RENEWAL OF SHARE BUY-BACK MANDATE

6.1 Potential Advantages

The potential advantages of the Proposed Renewal of Share Buy-Back Mandate are as follows:

- (i) CAM may be able to reduce any unwarranted volatility of its Shares and assist to stabilise the supply, demand and price of its Shares in the open market, thereby supporting the fundamental value of its Shares;
- (ii) General investors' confidence in the stability of CAM Share price is expected to be enhanced as CAM is empowered to implement the Proposed Renewal of Share Buy-Back Mandate;
- (iii) The Proposed Renewal of Share Buy-Back Mandate is to enhance value for shareholders from a resultant reduction in the number of shares in the market, all things being equal. Further, it may increase the earnings per share when the purchased shares are cancelled, thereby making the shares more attractive to investors; and
- (iv) CAM may utilise the treasury shares as future dividend pay out to CAM shareholders and/or for resale or transfer in the market should opportunities arise in the future.

6.2 Potential Disadvantages

The potential disadvantages of the Proposed Renewal of Share Buy-Back Mandate are as follows:

- (a) The Proposed Renewal of Share Buy-Back Mandate if implemented, is expected to temporarily reduce the immediate financial resources of the Group. However, the financial resources of the Group may recover or even increase if the purchased CAM Shares are held as treasury shares and resold in the market at the same or higher prices; and

- (b) The Proposed Renewal of Share Buy-Back Mandate may also result in the Group foregoing better investment opportunities which may emerge in the future and/or any income that may be derived from other alternative uses of such funds such as deposit in interest bearing instruments.

The Proposed Renewal of Share Buy-Back Mandate is not expected to have any potential material disadvantage to the Company and its shareholder, and it will be implemented only after due consideration of the financial resources of CAM Group and the resultant impact on the shareholders of the Company. The Board, in exercising any decision to buy-back any CAM Shares, will be mindful of the interests of the Company and its shareholders.

7. FUNDING

A sum of not exceeding the Company's retained profits at the time of purchase(s) will be allocated for the Proposed Renewal of Share Buy-Back Mandate and shall be financed from internally generated funds and/or external borrowings, the proportion of which will only be determined later depending on the available internally generated funds, actual number of shares to be purchased and other relevant cost factors. In the event the Company decides to use external borrowings, the Company will ensure that it has sufficient financial capability to repay such borrowings and that the external borrowings are not expected to have any adverse effects on the cash flow of the Group.

Depending on the quantum and the purchase price, the Proposed Renewal of Share Buy-Back Mandate may reduce the working capital of the CAM Group.

Based on the latest audited financial statements for the financial year ended 31 December 2025, the Company's retained profits are RM36,084,341. The amount of the retained profits based on the unaudited financial statements was not available as the unaudited quarterly results for the period ended 31 March 2026 has not been approved by the Board or published at the time of issuance of the Circular/Statement.

***** Deemed interested by virtue of shareholdings held by Sunleap Industries Sdn. Bhd.

8.3 Public Shareholding Spread

Further to the above, the Board is mindful of the requirement that the Proposed Renewal of Share Buy-Back Mandate must not result in the number of CAM Shares which are in the hands of the public falling below 25% of the total number of issued Shares of CAM.

The public shareholdings spread of the Company as at LPD and after incorporating the effects of the Proposed Renewal of Share Buy-Back Mandate are as follows:

	Public Shareholding	
	No. of CAM Shares	%
As at LPD*	77,459,321	42.41
After the Proposed Renewal of Share Buy-Back Mandate**	71,946,577	40.62

Notes:

* Taking into consideration the 14,167,256 CAM Shares in CAM's Share Buy-Back Account as at LPD, and assuming all Shares purchased will be cancelled.

** Assuming the remaining 5,512,744 CAM Shares (being the maximum number of shares that could be purchased of 19,680,000 CAM Shares less the number of treasury shares in CAM's Share Buy Back Account as at LPD) are bought back and Shares are acquired from the minority shareholders of CAM.

However, the Company will ensure that prior to any share buy-back exercise, the public shareholding spread of at least 25% is maintained.

9. FINANCIAL EFFECTS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK MANDATE

9.1 Proposed Renewal of Share Buy-Back Mandate

The financial effects of the Proposed Renewal of Share Buy-Back Mandate are presented below based on the following assumptions:

- (i) the purchase of own shares of up to 10% of the total number of issued Shares of CAM is implemented in full; and
- (ii) CAM Shares so purchased are cancelled.

9.1.1 Share Capital

The effects of the Proposed Renewal of Share Buy-Back Mandate on the total number of issued shares of the Company will depend on whether the purchased CAM Shares are cancelled or retained as treasury shares. However, there will be no impact on the total number of issued shares of the Company if the purchased CAM Shares are retained as treasury shares, resold or distributed as share dividends to shareholders.

For illustration purposes only, the scenario below shows the movement of the share capital of the Company as at LPD upon the implementation of the Proposed Renewal of Share Buy-Back Mandate, assuming that 10% of CAM's issued Shares are purchased and cancelled.

	No. of CAM Shares
Existing total issued Shares as at LPD	196,800,000
No. of CAM Shares to be purchased and cancelled pursuant to the Proposed Renewal of Share Buy-Back Mandate	19,680,000
Resultant issued Shares upon completion of the Proposed Renewal of Share Buy-Back Mandate	177,120,000

9.1.2 NA AND WORKING CAPITAL

The effect of the Proposed Renewal of Share Buy-Back Mandate on the consolidated NA of CAM Group will depend on the purchase price of the CAM Shares purchased, the number of CAM Shares purchased, the effective funding cost of CAM Group to finance the share buy-back, if any, or loss in interest income to the Company, and whether the purchased CAM Shares are cancelled, retained as treasury shares, resold on Bursa Securities or distributed as share dividends to shareholders.

If all the purchased CAM Shares were held as treasury shares and subsequently resold on the Bursa Securities, the Company's NA per CAM Share would increase if the Company realised a gain from the resale and vice-versa.

If the treasury shares are distributed as share dividends, the NA of CAM Group will decrease by the cost of the treasury shares.

The Proposed Renewal of Share Buy-Back Mandate is likely to reduce the working capital of the Company, the quantum of which depends on the purchase prices and the number of CAM Shares. Nevertheless, the Board is mindful of the interest of CAM and its shareholders in undertaking the Proposed Renewal of Shares Buy-Back Mandate and will assess the working capital needs of CAM prior to any purchase of Shares.

9.1.3 Earnings and EPS

The effect of the Proposed Renewal of Share Buy-Back Mandate on the EPS of CAM Group would depend on the number of CAM Shares purchased, the purchase prices of CAM Shares, and the effective funding cost to finance the purchase or loss in interest income of the Company.

Similarly, on the assumption that the CAM Shares so purchased are treated as treasury shares and resold, the extent of the effect on EPS of the CAM Group will depend on the actual selling prices, the number of treasury shares resold and the effective gain or interest savings arising thereof.

If the purchased CAM Shares are retained or cancelled, the Proposed Renewal of Share Buy-Back Mandate will increase the EPS of CAM Group provided the income foregone and/or interest expense incurred is less than the effect of the reduced number of shares in calculating EPS.

10. IMPLICATION OF THE CODE

Based on the shareholdings of the substantial shareholders as at LPD and assuming the Proposed Renewal of Share Buy-Back Mandate is implemented in full, the proforma effects as set out in the Statement indicate the share buy-back exercise does not have any implication on the Code as none of the substantial shareholder(s) and/or parties acting in concert with them will hold more than 33%, direct and indirect interest, in CAM.

In the event an obligation to undertake a mandatory offer is expected to arise resulting from the Proposed Renewal of Share Buy-Back Mandate, the relevant party acting in concert shall make the necessary application to the Securities Commission Malaysia for an exemption from undertaking the mandatory offer under the Code.

Pursuant to the Code, a mandatory offer obligation arises when:

- (a) a person obtains controls in a company as result of a share buy-back scheme by the Company;
- (b) a person (holding more than thirty-three percent (33%) but not more than fifty percent (50%) of the voting shares or voting rights of a company), as result of a share buy-back scheme by the company, increasing his holding of the voting shares or voting rights of the company by more than two percent (2%) in any six (6) months period;
- (c) a person (holding more than thirty-three (33%) but not more than fifty percent (50%) of the voting shares or voting rights of a company) acquires more than two percent (2%) of the voting shares or voting rights of the company when he knows or reasonably ought to know that the company would carry out a buy back scheme.

In addition, any application for an exemption must be submitted to the Securities Commission Malaysia before a mandatory offer obligation is triggered.

As it is not intended for the share buy-back exercise to trigger the obligation to undertake a mandatory offer under the Code by any of the Company's substantial shareholder(s) and/or parties acting in concert with them, the Board will ensure that such number of CAM Shares so purchased, retained as treasury shares, cancelled and/or distributed pursuant to the Proposed Renewal of Shares Buy-Back Mandate would not result in the triggering of any mandatory offer obligation on the part of the Company's substantial shareholder(s) and/or parties acting in concert with them. In this connection, the Board is mindful of the requirements under the Code when making any purchase of CAM Shares pursuant to the Proposed Renewal of Share Buy-Back Mandate.

11. PREVIOUS PURCHASE, RESALE, CANCELLATION AND/OR TRANSFER OF TREASURY SHARES MADE IN THE PRECEDING TWELVE (12) MONTHS

As at the LPD, the Company did not purchase, resale, transfer and cancel its treasury shares in the preceding twelve (12) months.

12. INTERESTS OF DIRECTORS, MAJOR SHAREHOLDERS AND PERSONS CONNECTED TO THEM

Save for the consequential increase in the percentage shareholdings and/or voting rights of the Shareholders as a result of the Proposed Renewal of Share Buy-Back Mandate, none of the Major Shareholders and/or Directors of CAM and/or persons connected to them have any interest, direct or indirect, in the Proposed Renewal of Share Buy-Back Mandate and, if any, the resale or transfer of the treasury shares.

13. DIRECTORS' RECOMMENDATION

The Directors, having considered all aspects of the Proposed Renewal of Share Buy-Back Mandate, are of the opinion that the Proposed Renewal of Share Buy-Back Mandate is in the best interest of the Company. Accordingly, your Directors recommend that you vote in favour of the ordinary resolution pertaining to the Proposed Renewal of Share Buy-Back Mandate to be tabled at the forthcoming 25th AGM.
